

COVID-19 Pandemic – United States Shelter-in-Place / Reopening Tracker

COVID-19 Pandemic – United States Shelter-in-Place / Reopening Tracker

Shelter-in-place or stay at home orders have been prevalent throughout the United States since March 2020 as state and local governments have sought to protect their citizens from the spread of the COVID-19 virus. With the spread appearing to slow, several states are now implementing plans to revise and scale back these orders to re-open their economies. Keeping abreast of the evolving nature of these orders and plans is critical to the functioning of all businesses throughout the country.

Baker McKenzie has a team in place that has been advising clients real-time on these most critical issues since the first orders were enacted. We are pleased to provide this Tracker, which identifies the relevant state-wide shelter-in-place orders and their related expiration dates, as well as the applicable state-wide reopening plans, in each of the 50 United States plus Washington, D.C. The "What's Open" table on each page highlights the reopening status of four major sectors (office, manufacturing, retail and bars/restaurants).

In addition, the Tracker includes links to the relevant quarantine requirements or recommendations for incoming travelers in each state plus Washington, D.C.

Please check back for regular updates.

Please call or email your regular Baker McKenzie contact if you require additional analysis regarding these matters.

Updated as of June 4, 2021

President Biden's COVID-19 Executive Orders

President Biden has signed several Executive Orders since taking office as the 46th President of the United States, which are designed to help contain the COVID-19 crisis, including:

- an Executive Order on Protecting the Federal Workforce and Requiring Mask Wearing, which requires facemasks, physical distancing and adherence to CDC guidelines while on federal lands;
- an Executive Order on Promoting COVID-19 Safety in Domestic and International Travel, which requires facemasks to be worn in airports and on public transportation, and all travelers entering the United States to test negative for COVID-19 and to comply with other applicable CDC guidelines concerning international travel, including to quarantine upon arrival; and
- Geographic COVID-related Presidential Proclamations suspending entry into the United States of noncitizens of the United States who were physically present within certain countries during the 14-day period preceding their entry or attempted entry into the United States, subject to exceptions specified in the proclamations.

Click [here](#) to access all of President Biden's Executive Orders and click [here](#) to access the National Strategy for the COVID-19 Response and Pandemic.

Wisconsin

Official State COVID-19 Website: Wisconsin COVID-19 Resources

Official State Reopening Plan: Badger Bounce Back

State-Wide Order: On March 31, 2021, the Wisconsin Supreme Court struck down Governor Evers' mask mandate, ruling that Gov. Evers violated state law by unilaterally issuing emergency orders to extend the mandate for months. The ruling also bars Gov. Evers from issuing a new mask mandate without approval of the state legislature and leaves Wisconsin with no state-wide orders.

When does the Order Expire:

Does the Order Require Shelter-in-Place: No

Does the Order Require Shelter-in-Place for Social Venues Only: N/A

Local Orders: Local orders in effect in certain locations

Quarantine Requirements / Recommendations for Incoming Travelers: Wisconsin quarantine requirements for incoming travelers
