 - (b) certain issuers may be unable to make certain filings, or to send or deliver certain documents, as and when required under provisions relating to the use of exemptions from the prospectus requirements.

5. Under subsection 143.11(2) of the OSA if the Commission considers that it would not be prejudicial to the public interest to do so, the Commission may, on application by an interested person or company or on its own initiative, make an order exempting a class of persons or companies, trades, intended trades, securities or derivatives from any requirement of Ontario securities law on such terms or conditions as may be set out in the order, effective for a period of no longer than 18 months after the day on which it comes into force unless extended pursuant to clause (b) of subsection 143.11(3) of the OSA.
6. This order does not provide a further extension of any deadline previously extended under Ontario Instrument 51-502 entitled “Temporary Exemption from Certain Corporate Finance Requirements” dated March 23, 2020.
