

COVID-19 Pandemic – United States Shelter-in-Place / Reopening Tracker

COVID-19 Pandemic – United States Shelter-in-Place / Reopening Tracker

Shelter-in-place or stay at home orders have been prevalent throughout the United States since March 2020 as state and local governments have sought to protect their citizens from the spread of the COVID-19 virus. With the spread appearing to slow, several states are now implementing plans to revise and scale back these orders to re-open their economies. Keeping abreast of the evolving nature of these orders and plans is critical to the functioning of all businesses throughout the country.

Baker McKenzie has a team in place that has been advising clients real-time on these most critical issues since the first orders were enacted. We are pleased to provide this Tracker, which identifies the relevant state-wide shelter-in-place orders and their related expiration dates, as well as the applicable state-wide reopening plans, in each of the 50 United States plus Washington, D.C. The "What's Open" table on each page highlights the reopening status of four major sectors (office, manufacturing, retail and bars/restaurants).

In addition, the Tracker includes links to the relevant quarantine requirements or recommendations for incoming travelers in each state plus Washington, D.C.

Please check back for regular updates.

Please call or email your regular Baker McKenzie contact if you require additional analysis regarding these matters.

Updated as of January 29, 2021

President Biden's COVID-19 Executive Orders

President Biden has signed several Executive Orders since taking office as the 46th President of the United States, which are designed to help contain the COVID-19 crisis, including:

- an Executive Order on Protecting the Federal Workforce and Requiring Mask Wearing, which requires facemasks, physical distancing and adherence to CDC guidelines while on federal lands;
- an Executive Order on Promoting COVID-19 Safety in Domestic and International Travel, which requires facemasks to be worn in airports and on public transportation, and all travelers entering the United States to test negative for COVID-19 and to comply with other applicable CDC guidelines concerning international travel, including to quarantine upon arrival; and
- a Proclamation on the Suspension of Entry as Immigrants and Non-Immigrants of Certain Additional Persons Who Pose a Risk of Transmitting Coronavirus Disease, which restricts and suspends the entry into the United States of noncitizens of the United States who were physically present within the Schengen Area, the United Kingdom (excluding overseas territories outside of Europe), the Republic of Ireland, the Federative Republic of Brazil, and the Republic of South Africa during the 14-day period preceding their entry or attempted entry into the United States.

Minnesota

Official State COVID-19 Website: Minnesota COVID-19 Resources

Official State Reopening Plan: Minnesota's Stay Safe Plan

State-Wide Order:

Continuing to Safely Reopen Minnesota's Economy and Ensure Safe Non-Work Activities (Executive Order 20-74)
Related Guidance on Reopening Businesses
Requiring Face Coverings in Indoor Businesses and Indoor Public Settings (Executive Order 20-81)

On November 18th, Governor Walz signed Executive Order 20-99 which implements "a four week dial back on certain activities to slow the spread of COVID-19." Paragraphs 6 and 7 of the Order, which remain in place through December 18th, prohibits in-person social gatherings, limits bars and restaurants to take-out and delivery service only, and requires gyms, entertainment venues, and event spaces to close.

On December 16th, Governor Walz signed [Emergency Executive Order 20-103](#), which extends and modifies Executive Order 20-99 beginning on December 18th through January 10th. All other provisions of Executive Order 20-99 remain in full effect through January 10th.

On January 6th, Governor Walz issued [Emergency Executive Order 21-01](#), which takes effect at midnight on January 10th and rescinds several prior executive orders, including Order 20-99. Among other things, the Order permits certain limited indoor social gatherings of up to 10 people from no more than two households, as long as social distancing is maintained.

Wisconsin

Official State COVID-19 Website:

Wisconsin COVID-19 Resources

Official State Reopening Plan:

Badger Bounce Back

State-Wide Order:

On September 22, 2020, Governor Evers issued Emergency Order #1, extending his previous order requiring face coverings to be worn indoors and in all enclosed spaces, subject to limited exceptions.

On October 6, 2020, Andrea Palm, Department of Health Services Secretary designee, issued Emergency Order #3, which, subject to various exceptions, limits indoor public gatherings in places open to the public to no more than 25% occupancy effective October 8, 2020.

On October 19, 2020, a Wisconsin Circuit Court judge vacated the previously issued temporary restraining order blocking Wisconsin's Emergency Order #3 and denied the request for injunction preventing enforcement of the Emergency Order. On November 6, 2020, however, a Wisconsin appellate court granted an injunction preventing enforcement of the Emergency Order. On the same day, Emergency Order #3 expired by its terms.

On November 10th, Governor Evers issued Executive Order #94, which advises Wisconsin residents to stay home to combat a "drastically growing spike in cases of COVID-19." The Order carries no legal weight and does not include any penalties for non-compliance.

In separate orders issued on November 20, 2020, Governor Evers proclaimed that a state of emergency exists in Wisconsin (Executive Order 95) and continued his previous order requiring face coverings to be worn in all indoor and enclosed spaces (Emergency Order 1).

On January 19, 2021, Governor Evers issued [Executive Order 104](#), proclaiming that a public health emergency existed. On the same day, Governor Evers issued [Emergency Order 1](#), which continued his previous order requiring face coverings to be worn in all indoor and enclosed spaces.

When does the Order Expire:

March 20, 2021 (Emergency Order #1)

March 20, 2021 (Executive Order #95)
